Gregory,

I hope this email finds you well. I sent an email to Mr. Jeremy Iandolo a short while ago regarding the pending litigation for RCG and/or Giardina. Below is the information where funds are being held on Richmond Capital's behalf. Therefore, it is my understanding that you have the information to update the settlement agreement for a final version. Please let us know if you need any other information for the settlement. I will be traveling tomorrow and out of town until Monday evening. Therefore, if you have any questions, we should try to get on a call today, otherwise David Casagrande is available. He is in the office preparing for a trial beginning next week.

Anthony
